

Have your finances been impacted during COVID-19?

If you are struggling to pay your bills or would like to talk to someone about your money, Care is here to help. We are a community organisation that provides free and confidential support to people living on low to moderate income. Our programs include:

- financial counselling
- consumer law
- community loans
- community education

We can assist by providing

- an assessment of your financial situation
- strategies for negotiating with creditors
- options for dealing with debt
- consumer and credit law advice
- 0% interest loans up to \$1500 for household goods and services
- free financial and consumer rights webinars/workshops
