

Financial and consumer literacy

Free workshops to empower you to
keep your money on track

Our workshops

We provide free online and in person workshops including:

Budgeting for Life

If you are looking to build on your money management skills, then this workshop is for you. Topics include:

- budgeting, spending habits and saving
- bill paying systems that work for you
- strategies for surviving debt
- planning for the future

Know Your Consumer Rights

This workshop is run by Care Consumer Law and topics include:

- consumer rights, responsibilities and protections under the Australian Consumer Law
- responsible lending and credit providers
- understanding credit and caring for your credit score
- protecting yourself from scams
